"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

2 Corinthians 9:7

What if your generous gift went toward a lasting, generational asset used as a spiritual tool that would provide a known and stable house for our worship, and a headquarters for our operations to send out blessings in many shapes and forms in the community around us, leaving an eternal impact? How much could be restored and how many could be touched by His grace and come to know Jesus? How much will your gift be multiplied? **Imagine the possibilities!**

MORE THAN A BUILDING

Since the beginning, Restoration has been about making Jesus the center of all that we do and empowering generations while we restore and bless the people and communities around us with the love of Jesus. A church home is one tool to do that and a well suited building to call our home is within our reach after seven years of searching...

We are now starting a crucial phase in making this component of what we believe is God's plan for Restoration a reality and are humbly asking you to consider partnering with us in our **building fundraising campaign.**

THE BUILDING

- 4.37 Acres and room to expand
- 5700+ square feet
- High visibility on Cedar Avenue
- Easy access
- Fits our budget and loan limits
- Inspected and well-built

HERE ARE OUR TOP 4 PRIORITIES:

PRIORITY 1 BE A WELCOMING CHURCH

With some remodeling and a few modifications, we can increase the openness and capacity of gathering spaces and critically, the worship center.

PRIORITY 2 BE A HUB FOR COMMUNITY

Community starts with an invitation and a space to gather for connecting and equipping to go and be the hands and feet of Jesus in our community.

PRIORITY 3 KEEP OUR ROOTS & OUR VISION

Phase one is to make our new building feel like Restoration: warm, comforting and equipped for our children. Phase two will explore expansion possibilities.

PRIORITY 4 BE A FISCALLY SOUND CHURCH

It is not without judicious analyzing of budgets, expenses, saving and giving, that we ask of our church to help us meet the goal for one time and ongoing giving commitment for the future.
